Dear Dr. CABERTE,

AIDS Candlelight Memorial Day observance is a community mobilization activity that emphasizes the need for people living with HIV to join hands in halting the spread of HIV/AIDS and reflect on the lives that have been lost.

This international activity is observed in the month of May and in Dumaguete City it is initiated by the Dumaguete City HIV/AIDS Council (DCHAC) and its various stakeholders. This year's theme is "Spread Love and Solidarity to Build Stronger Communities."

In this regard, may I respectfully invite you, your staff and senior high students to join this activity on May 26, 2023, 5pm at Pantawan 2, Rizal Blvd, Dumaguete City.

Very truly yours,

MARIA SARAH B. TALLA, MD  
City Health Officer II
